"Care for Kids" Golf Outing

June 19th , 2023 at Tippecanoe Lake Country Club

We need sponsorship support from members and community supporters in order to make this year's "Care for Kids" project a success. In exchange your business will enjoy media exposure and satisfaction of knowing you have helped the children and families in need within our communities.

Since the first "Care for Kids" Golf Outing in 1996, we continue to support the need of our local school schools by supplying donations to our twenty-four elementary schools throughout Kosciusko, Fulton, Whitley and Marshall Counties.

Please consider sponsoring the BANI's Annual "Care for Kids" Golf Outing this year.

The following sponsorship opportunities are available.
